## **Lowell School District**

Starting Tuesday, March 24, 2020, we will be delivering, by van, bagged breakfast and lunch to each bus and van stop on the Lowell School District bus and van routes.

Each day, lunch, and breakfast for the following morning, will be dropped off to each youth present at the bus stop. The delivery will follow the same routes as the morning pick up of students. The routes will begin at 11:00am and will finish at approximately 12:30pm. To calculate the approximate time of the food delivery, add 4 hours to the time that the student is normally picked up at that bus/van stop. For example, if your student is normally picked up at 7:08am, your approximate time to pick up the food delivery will be 11:08am. These times are approximate and we are doing our best to maintain the schedule. These deliveries will arrive vial Lowell School District vans.

Youth are able to receive their meals from any bus/van stop and do not have to use the stop that they normally use for school.

We will **continue to have meal pick up at Lundy Elementary from 11:00am – 1:00pm** as well. Please remember that youth, ages 0-18, must be present to receive their meals either from the bus stops or at Lundy.
