

## **Where to Get Meals for Kids in Lane County- Fall 2020**

(Updated October 12, 2020)

School districts in Lane County are continuing to provide meals at various times and places across the county to youths 18 years and younger and students enrolled in distance learning. Below is information that was posted on each of the school districts' websites in alphabetical order. We have also listed general resources for families who might need help with food at the end.

### **Bethel School District**

Grab-and-go student breakfasts and lunches will be available (at no charge) at every Bethel school beginning Tuesday, September 15th.

Pick up warm, grab and go meals on Tuesdays and Fridays from 11:00am-1:00pm except for these schools:

**Kalapuya:**

11:00am-12:30pm

**Cascade:**

Students will also be provided multi-meal boxes to cover 7 days a week.

### **Blachly School District-Triangle Lake Charter School (TCLS)**

ALL students are eligible to get free breakfast and lunch for each school day. We are lumping the meals together into two distribution days: Monday will have breakfast and lunch for both Monday and Tuesday; Wednesday will have both breakfast and lunch for Wednesday and Thursday. Students must sign up to get meals, and select a pick-up location (at bus stops or at the school). If you need to sign up for meals, please contact the main office.

### **Creswell School District**

As of Tuesday, September 15 – Creswell School District has started delivering student meals to designated stops in the district. If you would like to be added to one of the pick-up locations **please call Creswell School District Transportation at 541-895-6009**. Please include the following information in your message: name, number of kids that need a meal, and a phone number to call you in case more information is needed. Please call as soon as possible, so we can provide the appropriate number of meals for each location. We can start delivering meals the day after you call.

- Meals are free from ages 0-18 until December 31st, 2020.
- **The Creslane location will continue to operate on school days from 11 a.m. to 1:30 p.m.**
- At these sites, the meals will be served outside the main doors or out the rear door of the bus.
- The school district staff will place a cone on the ground in front of the bus door to maintain social distancing when we have a large group waiting at a stop. Please do not approach the bus until the staff has directed you to do so.
- Please have only one representative from each family come up to the bus.
- The school bus will remain at each stop for at least 10 minutes or as long as needed.
- There will be 2 delivery times per each delivery location. The 1st delivery time coincides with the Creslane and Creswell High School lunch breaks. The 2nd delivery time coincides with the Creswell Middle School lunch break.
